We invite you to see the spectacular restored antique, classic and special interest cars displayed at the El Segundo Museum. The 28,000 square foot facility puts you up close to more than 70 cars on display. The collection of automobiles dates back to a 1904 2-cylinder Schacht that has been restored to its original factory condition. They also have a vintage soda fountain and gift shop that sells replicas and candy from the fifties.

What makes this museum so different is that it is the only one that, with a docent, lets you sit in the automobiles, look under the hood, and ride in one of three vintage cars that they take out on Sundays (you must sign a release for the ride).

We will meet at 1:30 PM at the Museum, located at 610 Lairport Street, El Segundo. Take Sepulveda north, turn right on Mariposa and left on Lairport. It is east of the mini-mall that houses the Sizzler. We will enjoy the museum and then have an early dinner at a restaurant yet to be chosen.

Please RSVP to Linda Haxton (310) 779-6715, by Thursday, September 27, so we know how many docents to have available to give you a very special personalized tour. There is a \$5.00 requested donation for the tour. For more information on the museum go to [www.automobiledrivingmuseum.org](http://www.automobiledrivingmuseum.org) or call them at (310) 909-0950.

**Publicity Chairperson:** The person who  
assumes this position needs to be willing and  
able to promote and publicize The Fun Club in a  
positive manner to the public and potential  
members!.

The PR Portion of the job is simple, but takes a  
few hours a month, especially once the  
newsletter is published. The same information  
that is obtained from the newsletter can be used  
to generate Press releases for the papers.

We are looking for a person who possesses  
computer skills and who has Web design skills .  
This job also requires a digital camera for taking  
pictures at club events and publishing them on  
the club website. At minimum the position  
requires the ability to type, cut and paste, and  
have some knowledge of the Dreamweaver  
Program used for the website. The  
Dreamweaver Program allows you to change the  
Website and upload pictures with no design skills  
(if Lee can do it, anyone can!!!)

This person will be shown how to maintain  
various calendars and to use the computer to  
increase exposure through the internet. We  
currently send press releases to all three local  
newspapers, two regional internet calendars,  
Gone Local, Craig's List and other internet  
directories(more would be encouraged). Job  
entails cutting and pasting the newsletter &  
calendar on to the Club's website and then  
sending press releases and other listings.  
Loading pictures from club events when  
available along with headlines and other  
noteworthy items as they to become available.

The ideal candidate will be able to spend time on  
PR and on improving the website.

The PR Chairman will need to coordinate the  
production, in cooperation with the membership  
chairman, of the Club's brochure and to help  
produce the "take one" racks and handle some of  
the distribution of the brochures.

Please call Lee Angel if you have questions (310)  
251-8316 or if interested contact Vic Cavataio  
(310) 316-5216
