## Club Volunteer Openings

**Publicity Chairperson:** We are looking for a person who possesses "moderate" computer skills. There are no minimum requirements but you do need to be able to type and like to cut and paste. This person will be shown how to maintain various calendars and to do computer work to help the fun club get more exposure through the internet. We currently send listings to all three local newspapers, two regional internet calendars, Gone Local, Craig's List and other internet directories. Job entails mostly cutting and pasting the newsletter & calendar on to the Club's website and then press releases and other listings are created from it! Please call Lee Angel if you might be interested in taking on this function for the Club.

**Web Master:** We would prefer a member who has Web design skills to assist with the Website. This person should have the Dreamweaver Program. The Dreamweaver Program allows you to change the Website and upload pictures with no design skills (if Lee can do it, anyone can!!!) Please call Lee Angel if you are interested (310) 251-8316. Requires a few hours a month on the computer.

**Membership Chairperson:** Receives incoming calls and emails which are generated by newspaper ads, flyers, website, newsletter and word of mouth, provides information to prospective members about the Club and its activities especially upcoming items. Upon getting names & addresses for prospective members they are communicated to the Database Mgr. So that they can be added to the database and begin receiving their 3 months of trial membership. Requires answering machine to take calls for call backs. A plus if email capability. Please call Susan Shaver if you might like to take on this role for the Club.

Volunteering for one of the positions above provides one with a sense of accomplishment and of belonging. You will make even more new friends by getting involved.
